AWSC Report District #6

Hello as the new DR for District 6 I am visiting the meetings in my area and hope to be finished by the end of March. So far I love each one I have gone to. Each unique, and all sharing the AI-Anon experience strength and hope. It is such an honor to serve and keep Ohio AI-anon strong.

Respectively

REVIEW CHAIR END REPORT 2023

It was a pleasure to jump into service at the state level as Chair of Review Committee.

Marri G. Steve, (new Review Chair) Rose R. And I met at the Mall in Toledo. We Showed Steve what we do as a review and as we did Merri answered all our questions we found nothing out of order and everything matched perfectly. Thank you for this wonderful opportunity to stretch out of my comfort zone, and grow in service.

Sincerely

Terri N Former Review Committee Chair
