

Alateen: Spring 2024

Budget:

Current Balance: \$10,211.50

AAPP:

Irene B. accepted 3-year term and has an assistant (Mary Ann) helping her.

KOMIAC:

Currently planned for Michigan on July 26-28. Will likely be low numbers based on all the states reported attendance. Michigan is still currently looking for a campus for KOMIAC to be held at.

Next year 2025, KOMIAC will be held by Ohio.

Alateen Rally:

Plan for in person Alateen Rally at in the spring of 2024. Awaiting more details of date/time/location.

Sponsor Workshop:

Working on getting access to the Zoom account to hold one virtually in the first 6 months of 2024. Then potentially have in person workshop in the fall.

Other Inquiries:

I have been reached out to by Leslie in Akron about Alateen participation at Founders Day June 7-9. Needing teens for June 8. I have already reached out to Gary J and other local sponsors. Waiting for a word back from them. They also have an Alanon lead after, who actually started their program journey 50 years ago in Alateen.

Just a note, we have seen a drastic decrease in attendance numbers in the past couple of years. I am working on plan to help get the word of Alateen out there. I urge all of you to do the same.
